Touchstone Saunas are premium quality infrared saunas designed specifically for use in the privacy of your home. They are constructed from the highest quality materials to provide many years of reliable use. They utilize the latest Carbon Fiber heaters to provide efficient, even heat distribution at a much more comfortable operating temperature than conventional dry saunas.

Touchstone Saunas are easy to assemble and compact enough to fit comfortably in almost any room in your home. They require nothing more than a 110v power outlet to operate and consume very little electricity.

When you own a Touchstone Sauna, you will enjoy years of trouble-free relaxation.

With a Touchstone Infrared Sauna, you can enjoy the health benefits of far-infrared technology while relaxing in your own private sanctuary. A Touchstone Sauna can help you lose weight, improve heart function, increase circulation, and give you clearer, more radiant skin and silkier hair. All this while the soothing, penetrating heat helps to release toxins in your body to help prevent disease and make you healthier and more energetic.

Owning your own personal infrared sauna offers you the convenience of Infrared Therapy at any time of the day or night. Simply turn on your Touchstone Infrared Sauna and grab your favorite book to enjoy a relaxing, luxurious sauna experience.
